Putney Open Door Fund (PODF) scholarship recipients benefit from the generosity of individual donors. As a courtesy to people who have given to the fund in the past, and as a way to persuasively present the mission of PODF to potential future donors, it is essential that we receive detailed feedback from all scholarship recipients about their experiences. Therefore, PODF requires as a condition of receiving a grant that each scholarship applicant and his/her parent/guardian agree as follows:

- The Putney Open Door Fund may use a profile of the applicant, correspondence from the applicant, and pictures of the applicant in future fundraising materials.
- If funded, the applicant agrees to write responses to questions on an evaluation form and send them to the PODF within 15 days of the end of his or her summer program.
